SELECTION ANNOUNCEMENT FOR THE AWARDING OF ONE RESEARCH FELLOWSHIP

ENTITLED:

“DEVICE FOR THE ON-LINE EVALUTATION OF SHELF LIFE, AUTHENTICITY AND QUALITY OF SEAFOOD PRODUCTS”

Candidates shall also refer to the forms and documentation related to the selection announcement available at the links hereunder: <http://www.unipd.it/borse-di-ricerca>

Having regard to par. 4 of Art. 80 of the University's "Regolamento di Ateneo per l'amministrazione, la finanza e la contabilità" (Regulations Governing Administration, Finance, and Accounting) and "Regolamento delle borse per lo svolgimento di attività di ricerca", (Regulations Governing Research Fellowships) a selection announcement has been published for the awarding of one research fellowship at the Department of Comparative Biomedicine in Food Science under the supervision of prof. Luca Fasolato, Research Project Supervisor.

The research fellowship shall last for 4 months.

The research fellowship shall be for a total amount of € 4.000,00 financed by "OIS-AIR project" (co-funded by the Interreg ADRION Programme under the European Regional Development fund (ERDF) and Instrument for Pre-accession Assistance (IPA II), and will be paid in deferred monthly instalments.

The Research Fellowship Holder must carry out the following research activity:

- Sampling: collection of samples and collection of analysis spectra in Chioggia (VE)
- near-infrared spectroscopy-NIR analysis and results processing
- drafting of specific documents (standard operating procedure and reports)
- evaluation of cuttlefish shelf life by microbiological analysis and NIR spectroscopy

Admission Requirements

- specialization degree (a second level degree - D.M. 509/99 and D.M. 270/04) in Animal Science and Technology (Scienze e tecnologie animali)
o
- specialization degree (a second level degree – D.M. 509/99 and D.M. 270/04) in Food

Science and Technology (Scienze e tecnologie alimentari)

The eligibility of qualifications awarded abroad will be verified by the Selection Committee.

Required skills:

- Knowledge of the English language;
- Knowledge of the Italian language;
- Computer skills: NIR spectroscopy software and chemometric tools;
- Knowledge of Food quality analyses;
- Knowledge of technical and practical application of near-infrared spectroscopy.

Scientific publication, relevant documented research and study activities will be also evaluated

Incompatibility

The fellowships within this announcement may not be combined with:

- other research grants ;
- fellowships of any other kind, with the exception of those awarded by national or foreign institutes to integrate, with periods abroad, the specific research activities required by this announcement.

In the case of self-employed, employed or parasubordinate employed, compatibility shall be determined by the Research Project Supervisor.

Research Fellowship Holder may not have family or kinship relationships up to the fourth degree with lecturers or researchers working at the Department elected as "Research Base", or with Rector, or Director General, or a member of the University Board of Governors.

Procedures for submission of application form

The deadline for submitting the application form is 23rd December, 2019 at 13:00.

The application form to use is available at the link indicated on the selection announcement and the link available on the Department's website <http://www.bca.unipd.it/news/termine/2>

Alternatively, it can be submitted as follows:

1) delivered in person to the Administrative Secretariat of the Department of Comparative Biomedicine in Food Science at the following address: Viale dell'Università, 16 – cap. 35020 Legnaro (PD) at the Administrative Office from Monday to Friday 09:00-13:00];

2) posted by registered mail with advice of receipt to the following address: Head of the Department Department of Comparative Biomedicine and Food Science, Viale dell'Università, 16 – cap. 35020 Legnaro (PD).

Should the application be sent by registered letter, the postmark will not be accepted as evidence of meeting the application deadline. The date of receipt will be taken into account. Therefore, the application must reach the office before the deadline of this selection announcement.

3) sent by certified e-mail (PEC) to dipartimento.bca@pec.unipd.it

The envelope or subject heading of the email must indicate the following: "Selection Announcement for the Awarding of Research Fellowship - *"Device for the on-line evaluation of shelf life, authenticity and quality of seafood products"* with the Department of Comparative Biomedicine and Food Science.

The application must include:

- a) A dated and signed Europass CV, available at the link indicated on the selection announcement;
- b) a photocopy of a valid identity document (Identity Card or Passport);
- c) any other document, qualification or publication useful for the selection process

Selection procedure

Candidates' applications shall be evaluated by a Selection Committee that will be nominated in accordance with the "Regulations Governing Research Fellowships," on the basis of their qualifications and interview.

Prior to assessing candidates, the Selection Committee shall establish the maximum score, criteria and the procedure to be used in evaluating qualifications and the methods and criteria for the interview.

Candidates may participate to the interview using electronic means.

The interview is set to be held on 9th January 2020 at 09:30 at the studio of prof. Luca Fasolato, first floor – Museum building – viale dell'università 16 – 35020 Legnaro (PD).

Any changes will be communicated to the participants via email.

At the end of the selection process, the Selection Committee shall send the report to the Head of the Department for approval.

After verifying the legality of the deeds, the Head of Department shall approve by decree the ranking order and the awarding of the research fellowship.

The administrative office of the Department that issued the selection announcement shall notify the successful candidate.

The winner must accept the award within ten days of notification. Otherwise the winner shall forfeit the right to the research fellowship. In case of renunciation, the fellowship will be awarded to the next eligible candidate, according to the ranking order.

The ranking order will be published on the Department's web page at the following address, <http://www.bca.unipd.it/news/termine/2>, and on the University's website.

Return of Documents and Publications

Any documents and publications sent to the University can be returned at the applicant's expense after two months from the completion of the selection process, subject to any ongoing litigation.

Processing of personal data

In accordance with Legislative Decree no. 196 dated 30 June 2003 and s.m.i, it is hereby stated that any data provided, in print or electronic format, shall be handled only for the purposes of this announcement and the entering into and managing of the relationship with the University.

The person responsible for administrative proceedings

In accordance with Art. 5 of Law no. 241 dated 7 August 1990, the person responsible for the selection process (RPA) is Dr. Mariella Veronese, who can be reached at the Department of Comparative Biomedicine and Food Science, at the e-mail address mariella.veronese@unipd.it, and telephone no. +39 049.8272952.

Final provisions

For anything not specified in this selection announcement, see the University of Padova's current regulations regarding the awarding for research fellowships.

Padova, 05/12/2019

The Head of Department of
Comparative Biomedicine and Food Science
Prof. Bruno Cozzi
