

Schedule hybrid LEVEL 2 - 2026

THEORETICAL lessons online:

Access to the online courses will be given after registration.

The lectures can be watched in Italian or English and must be attended in order to take part to the practical lessons onsite.

The online lessons will focus on the following topics:

- ❖ Short conclusion from level 1
- ❖ Anatomy of the fascial system of the dog and horse, retinacula and formation of the diagonals and spirals
- ❖ Fascial phenomena
- ❖ Posture
- ❖ Location of the Centre of Fusion (CF) in dogs and horses:
 - Antelatero
 - Retrolatero
 - Antemedio
 - Retromedio
- ❖ Movement testing (MOVE) in dogs and horses
- ❖ Level 2 assessment chart and treatment protocol of the animal fascial manipulation

PRACTICAL lessons onsite:

The practical lessons will be held in English, on 21st-23rd February, in the Agripolis Campus of Padua University.

For the practice, participants will be divided into two groups: one for dogs and one for horses (based on the registration form). The horse group will move to the Azienda Agraria Sperimentale L.Toniolo of the University of Padua, no private transportation is needed to reach it.

Practical lessons will be held in small groups of 3-4 person.
